

"You're not really doing manga if you're getting enough exercise" goes the saying-which means I'm stiff as a board all the time. I know I should be stretching and doing some self-massage before bed and... Hey, it's kitty! Look at that face! Awww. That's better.

– Yoshiyuki Nishi

Yoshiyuki Nishi was born in Tokyo. Two of his favorite manga series are Dragon Ball and the robot-cat comedy Doraemon. His latest series, Muhyo & Roji's Bureau of Supernatural Investigation, debuted in Japan's Akamaru Jump magazine in 2004 and went on to be serialized in Weekly Shonen Jump.

SHONEN JUMP MANGA EDITION

Muhyo & Roji's Bureau of Supernatural Investigation BSI

Vol. 6 Awakening Story & Art by Yoshiyuki Nishi

Hanao Ebisu (Ebisu)

Judge and Goryo's underling. Fears Goryo's wrath above all else and follows his orders to the letter.

The Story

Magic law is a newly established practice for judging and punishing the increasing crimes committed by spirits; those who use it are called "practitioners."

The altercations at the prison Arcanum leave Muhyo at death's door with his tempering, or willpower, at rock-bottom. Nemesis Enchu does not deliver the final blow, choosing instead to abscond with fellow traitor Rio and prolong Muhyo's suffering. Meanwhile, events spur the Magic Law Association to begin a cleansing, targeting the practitioners of Forbidden Law... Muhvo and Roii return to their office to find fellow practitioners Goryo and Ebisu planning to take their office away from them. Muhyo accepts a challenge to defeat a pernicious ghost in a haunted apartment complex. The stakes: Muhyo and Roji's business. Muhyo proceeds to vanquish the ghost successfully, but ... ?!

Daranimaru Goryo (Goryo)

An Executor and gifted strategist who considers Muhyo his rival. Head of the centuries-old Goryo Group syndicate.

√Nana Takenouchi (Nana)

High school student and aspiring photographer. She's also a spirit medium, which gets her into all sorts of trouble...

Reiko Imai

Brave Judge who joined Muhyo and gang during the fight against Face-Ripper Sophie.

Page Klaus

Chief Investigator for the Magic Law Association. Muhyo and Enchu's old teacher and Yoichi's current supervisor.

Dramatis Personae

Jiro Kusano (Roji)

Assistant at Muhyo's office and a "Second Clerk." the lowest of the five ranks of practitioners of magic law. Roji cries easily, is meek and gentle, and has been known to freak out in the presence of spirits. Irritated at his own inability to help Muhyo, Roji has devoted himself to studying magic law. Likes: tea and cakes. Dislikes: scary ghosts and scary Muhyo.

Toru Muhyo (Muhyo)

Genius elite practitioner of magic law, one of the youngest to achieve the highest rank of "Executor." Always calm and collected (though sometimes considered cold due to his tendency to make harsh comments), Muhyo possesses a strong sense of justice and has even been known to show kindness at times. Sleeps a lot to recover from the exhaustion caused by his practice. Likes: Jabin (a manga), Dislikes: interruptions while sleeping.

Yu Abiko (Biko)

Muhyo's classmate and an Artificer. Makes seals, pens, magic law books, and other accoutrements of magic law.

Yoichi Himukai (Yoichi)

Judge and Muhyo's former classmate. Expert practitioner of all magic law except execution.
